A worksheet titled "Talent Choices" is shown. The title is at the bottom center in a grey, serif font. The page is framed by a double-line border. At the top, there is a decorative border consisting of two rows of circles: the top row has eight circles and the bottom row has seven circles, all arranged in a slightly overlapping pattern. Below this decorative border, the page is filled with horizontal lines for writing, with a larger margin at the top for a drawing or title.
